DESIGN & CUSTOMIZATION GUIDELINES

Inscriptions & Design:

- ♦ The word “**ANGUILLA**” will appear at the top of your plate, centered above your personalized identification marks.
- ♦ **Font:** Pristina, a sleek and stylish look.
 - **Motorcycles:** Font size between 32 and 40 points.
 - **Cars:** Font size no smaller than 54 points.

Size & Material:

- ♦ **Cars:** 6 inches high by 12 inches wide.
- ♦ **Motorcycles:** 4 inches high by 7 inches wide.
- ♦ Plates are made from **28-gauge reflective aluminum**, ensuring durability with a minimum thickness of 0.027 inches.

RESTRICTIONS TO KEEP IN MIND

To maintain clarity and prevent confusion,
there are a few important rules:

- ♦ **Readability:** Combinations that are hard to read or contain more than four identical characters in a row will be rejected.
- ♦ **No Interchangeable Characters:** Avoid using similar-looking substitutions (e.g., S for 5, A for 4, etc.).
- ♦ **Licensed Business Names:** You can’t use a pattern that mimics a registered business name unless you own it.
- ♦ **Comptroller's Discretion:** The Comptroller has the authority to reject any design or combination that doesn’t meet the criteria.
